School Accountability Report Card
Reported Using Data from the 2019-2020 School Year
Published During 2020-2021

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

School Description and Mission Statement (School Year 2020-2021)

Fiddymment Farm Elementary School opened its doors on August 19, 2013. We are a TK-5 elementary school in West Roseville, CA. Since opening we have grown to over 600 students. We currently offer Transitional Kindergarten classes and extended day Kindergarten. All of our classes are taught by fully credentialed teachers with an average of 15 years experience. Our classrooms all have the latest technology, including 70 inch televisions and apple TVs for projection, Chromebooks that utilize Google Suite, and handheld devices for students to utilize while maximizing their academic growth and personal development. Each grade level works together in Professional Learning teams to develop Common Core standards based lessons that are designed to reach all learners. Intervention and enrichment are a part of the curriculum in each grade level.

Mission Statement:

We at Fiddymment Farm are committed to maximizing student learning in a collaborative, respectful and safe environment to ensure all students become a positive F.O.R.C.E. in society.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Quality, Currency, Availability of Textbooks and Other Instructional Materials (School Year 2020-2021)

Year and month in which data were collected: 9/10/20

Roseville City Elementary held a public hearing on September 6, 2018, and determined that each school within the district had sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a cycle developed by the California Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the State are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption.

School Facility Conditions and Planned Improvements

General

The District takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the District uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the Maintenance Office.

Maintenance and Repairs:

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority. The District annually inspects wheelchair lifts, tests fire extinguishers, inspects and services all playground backboards, replaces bark on playgrounds and landscaping, and services HVAC units.

School Facility Repair Status:

Overall Summary of School Facilities Repair Status –Exemplary

The inspection included a check of possible gas leaks, mechanical systems, interior and exterior doors and windows, interior surface areas, structural damage, electrical, playground equipment, and hazardous materials. In all areas this school passed inspection.

Cleaning Process and Schedule:

The District has adopted cleaning standards for all schools in the District. The principal works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

Deferred Maintenance Budget:

The District participates in the State School Deferred Maintenance Program, which provides state matching funds on a dollar-for-dollar basis, to assist school districts with expenditures for major repairs or replacement of existing school building components. Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, interior or exterior painting, and floor systems.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Mathematics (grades 3-8 and 11)	63	N/A	53	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-2021)

We are fortunate to have hard working, dedicated parents and teachers who make up our Parent Teacher Club (PTC.) The PTC at Fiddymment Farm works tirelessly to provide and coordinate programs and activities to make our student's lives full and encourage a positive connection to school. Some of the yearly activities include a Dance A Thon, Book Fair, Father Daughter Dance, Harvest Festival, School Carnival, Art Docent, after school enrichment classes, Skate Nights, family Dine Outs, Mother Son events, and many more. The PTC meets 5 times per year in the school library at 6:30 pm.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Rate	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
Suspensions	0.7	0.6	3.2	2.4	3.5	3.5
Expulsions	0.0	0.0	0.1	0.0	0.1	0.1

Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	.4	1.3	
Expulsions	0	0	

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

School Safety Plan (School Year 2020-2021)

Evacuation, duck and cover, shelter in place and lockdown drills are practiced on a regular basis at Fiddymment Farm Elementary School. Staff and students are updated on safety practices periodically throughout each school year and when events warrant.

Fiddymment Farm School participates in the California Safe Schools Assessment Program. The Roseville City School District has developed a Crisis Response Plan that outlines the procedures to be followed in the event of an emergency affecting the school site. The plan includes procedures for coordinating resources to respond to any emergency including natural disasters, environmental health issues, accidents, or intruders. Staff have been assigned roles and trained to work efficiently with each other and with other public service officers to ensure the safety of students and staff.

Fiddymment Farm School has a Comprehensive School Safety Plan (CSSP) which is updated annually by the Safety Committee and approved by the School Site Council. Our safety plan will be analyzed, updated and presented for approval before March 1 of each calendar year.

Fiddymment Farm School utilizes the "Raptor" Visitor Management System, that scans the identification of all visitors on campus through a database, to screen for anyone with a criminal background or custody concern, and creates a safer and more efficient visitor check in method.

Types of Services Funded (Fiscal Year 2019-2020)

The majority of the school's funding goes directly back into the classes by way of professional development for teachers to enhance instruction, assessments tools and time for collaboration to ensure all students are meeting essential standards.

Time is also spent developing intervention for our struggling students and improving enrichment opportunities for students who perform above the expected standards. Funding also goes toward adding hands on materials and updated technology into our student's daily learning. The school community believes strongly that helping students make connections to school creates a better learning environment for all and an increase in academic achievement.

The staff is dedicated to maintaining our sense of community by involving all students in annual events (i.e. Starstruck Dance Show, School Musical, and Winter and Spring Choir Performances.) Staff also reaches out to each individual student by sending a postcard home during the year. The students and staff gather bi-monthly to celebrate citizenship and honor those who have demonstrated our FORCE characteristics in our interactive SING program. In each class, teachers implement the Second Step Social Skills curriculum to help all student navigate through social and emotional situations.

Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	8	8	8

In alignment with the Roseville City School District board goals, the Professional Development Advisory Committee (PDAC) plan was developed to create a comprehensive three-year professional development plan for the District. Training is provided to administrators and teachers that align with this plan during four professional development days. In addition, the school sites are provided three additional professional development days to focus on school site goals.

The priorities for Fiddymont Farm are strengthening our tiered academic support with a stronger focus on direct instruction along with improving our RTI (Response to Intervention) model, strengthening our tiered behavior support with our PBIS (Positive Behavior Intervention Supports) program, writing, and EL instruction. These priorities were determined by staff and approved by SSC based on data, collaborative professional input and alignment with site and district goals.

Fiddymment Farm staff is focused on implementing the California state standards using our new ELA and Math curriculums. New and improved assessment methods and models are being integrated into our classrooms for a more diagnostic understanding of individual student need. Staff uses data to make instructional decisions in an effort to advance student achievement.

Staff participates in district provided workshops, works collaboratively in grade level teams each week, attends local and statewide conferences all to broaden the understanding, rigor and implementation of our practice. Our school is led by a teacher driven leadership team with a focus on ensuring each and every child receives the curriculum, instruction, intervention, enrichment and support they need to become a positive FORCE in society.
