**We appreciate all donations!!!** - however, if you are deciding on which brands to buy that will **hold up the longest in the classroom and need replacing the least**, past experience shows that the **Crayola** brand for crayons, markers, colored pencils, and paints work best; the **Ticonderoga** brand of pencils work best; the **Expo** brand of dry erase markers work best; and the **Elmer's** brand of glue work best - **THANK YOU!**
